¹ The Court notes that Plaintiff's claims appear frivolous under 28 U.S.C. § 1915(e)(2), which is an independent ground for dismissing this case. For example, Plaintiff brings a claim for violation of his Sixth Amendment right to speedy trial. The sole remedy for a violation of the speedy trial right is dismissal of the charges, which already occurred in Plaintiff's case. *See Betterman v. Montana*, 578 U.S. 437, 444 (2016); Am. Compl. 4, ECF No. 31. Plaintiff's remaining claims for conspiracy, legal malpractice, obstruction of justice, and negligence relate to his arrest and subsequent state-law prosecution. The Court is not obligated to exercise supplemental jurisdiction over only state-law claims. *See* 28 U.S.C. § 1367(c).
